

COUNCIL ON ORTHODONTIC PRACTICE (COOP)

From AAO Fact Sheet Fall 2021

- Conducted member research on CE needs. Based on survey input several upcoming fall and winter webinars featuring requested content from members, including speakers **Jackie Dorst** and **Andrea Cook** and new practice management sessions are being offered.
- Continue to review practice forms and work with AAO Legal on edits and implementation. Have just completed a review and provided new content for the Informed Consent form with new IPR verbiage.
- Worked with AAO staff on edits for Practice Transition Portal to improve content for members and ease of maneuvering through site content.
- Partnering with AAO Education Department and members of CONYM for the development of an Orthodontic Design and Business Planning webinar series (replaces the existing Office Design Manual).

COOP's next in person meeting is scheduled for October 2021 in St. Louis, however sub-committees of COOP will still be holding conference calls on specific topics currently being reviewed. If you have any questions please don't hesitate to reach out to me.
