The WSO continues its work on the Consumer Awareness Program (CAP). The goal of the program is to educate the public on the difference between a general dentist and an orthodontist when it comes to providing orthodontic treatment. The WSO is utilizing Social Media (Facebook), advertising and other Search Engine Marketing (SEM) techniques to get our message out to the public.

The WSO Spring Conference will be held on April 20, 2018 at The Edgewater in Madison. Our featured speaker, Dr. Roger Levin, will share breakthrough marketing strategies for growing doctor and parent referrals. The MSO Board is invited!
